To whom it may concern:

I write this recommendation in support of Mark Canfora. I recently worked with Mr. Canfora on a Real Estate project in Panama City, Florida.

I found him to be knowledgeable in regard to Vacation or Second Home Real Estate and particularly astute in marketing. His expertise in marketing is not to diminish his acumen in sales. He is among some of the best salespeople with whom I have had the pleasure of working.

He has good business sense and, most important of all, his integrity and character are of the highest level.

I recommend him without hesitation for any position regarding leisure or investment Real Estate, and most probably in any venture for which he may be considered.

Please feel free to contact me if I can be a source of further information.

Sincerely yours,
